LUTTON COURT - NEW STUDENT ACCOMMODATION

As we approach Christmas the concrete frame for the new student accommodation is growing to a close. The works are progressing well and our target, weather permitting is to complete the frame before Christmas.

Envelope works including roofing, framing to the building and windows will also continue to progress during this period.

The main stonework to Bernard Terrace and brickwork to the rear of the building will also commence.

A Showflat off of Bernard Terrace is due to be completed early in the New Year.

We will try to minimise noise early in the morning and late at night and accordingly our site hours are 8.00am to 6.00pm Monday to Friday and 8.00am to 1.00pm on a Saturday.

We will update you on our progress early in the New Year.
