Dear Mr McDowell

**ALTERATION TO PRACTICE AREA – BRAEFoot MEDICAL PRACTICE (70893),
CONAN DOYLE MEDICAL CENTRE, 4 NETHER LIBERTON LANE, EDINBURGH EH16

Braefoot Medical Practice has requested agreement from NHS Lothian to alter their practice boundary. As part of this process, I am writing to seek your views on this proposal.

The current practice area is:

"Royal Mile, Johnston Terrace, Castle Terrace, Spittal Street, East Fountainbridge, Earl Grey Street, Tollcross, Home Street, Leven Street, Bruntsfield Place, Whitehouse Loan, through the Astley Ainslie Hospital to Cluny Gardens, Charterhall Road, Blackford Avenue, West Mains Road, Mayfield Road, Liberton Brae, cross country to Tower Farm, Liberton Drive, Kirkgate, Mount Vernon Road, Kingston Avenue, Old Dalkeith Road, Peffermill Road, Priestfield Road, the west edge of Prestonfield Golf Course, Queens Drive & Horse Wynd."

The proposed practice area can be defined as follows:

"From the north starting at East Crosscauseway, West Crosscauseway, then from Buccleuch Street, Hope Park Cresc to Melville Drive at junction with Marchmont Rd, Kilgraston Rd, Grange Loan, Blackford Ave, West Mains Rd to Mayfield Rd, Kirk Brae, Lasswade Rd to Gilmerton Station Rd, Drum St to Ferniehill Dr/Rd, Old Dalkeith Rd (incorporating Manor Wood Development) to Peffermill Rd, Kings Meadow, Priestfield Rd/Ave, Marchhall Rd, Marchhall Pl, Dalkeith Rd, Holyrood Pk Rd, East Parkside, St Leonard's Bank, St Leonard's Lane, St Leonard's Crag, St Leonard's Hill, Bowmont Place to re-join East Crosscauseway."

I enclose a list of local practices whose boundaries include the areas which the Braefoot Medical Practice wishes to exclude, a supporting statement from the practice and maps illustrating the current and proposed boundaries, population density and a map plotting the location of all the practices included in the enclosed list.

The practice have confirmed that should the proposed boundary be approved, the practice will continue to care for patients currently on the patient list but outwith the proposed practice boundary area.

Should your Council wish to forward views on this proposal, please do so by 16 October 2019.

Yours sincerely

SUPPORTING STATEMENT FROM PRACTICE

We wish to seek approval to change our practice boundary. We moved to our current premises within Conan Doyle Medical Centre in May 2017. The move from 17 Bernard Terrace was necessary because the premises required to be sold for GP partnership reasons, brought about by GP recruitment and retention issues. We are now located approximately 1 mile further south, and request permission to bring our boundary from the Royal Mile to East, West Cross Causeway, Buccleuch St, Hope Park Cresc to Melville Drive to create our boundary to the north. This will then allow us to take our boundary in a southerly direction and include EH16 & 17 postcode areas as detailed in the attached map.
