➤ **SCC Bank Account - looking for lost mail from Bank of Scotland!**

Dear councillors,

as soon as our constitution was ratified last month I applied for our community bank account within Bank of Scotland. Online application has been sent and successfully submitted.

The mail from Bank of Scotland to verify our bank account details has been sent to Nelson Hall CC. So far our mail seems to be lost. I did my best to find it - unfortunately not being successful.

Last Friday I contacted bank again and another mail should reach Nelson Hall within 3 working days. Please, I am monitoring this post and I will go to pick it up. If all goes right it should not be longer than 1 week to have our SCC bank account ready.

Kindest Regards,

Svetlana R.
