

Southside Community Council

Chair's report May 2016

1. Gifford Park Mural has been shortlisted for an award in the annual Scottish Charity Awards under the Celebrating Communities category. The awards are announced at a dinner on 9th June. Post cards of the mural have been distributed to pupils in Preston St. Primary School.
2. Insurance – the Community Council needs some insurance. See separate paper for a quote from Keegan & Pennykid for an annual premium of £61.92. For comparison, Zurich quoted £230. I recommend we accept the Keegan & Pennykid quotation.
3. Community Day – 100 posters have been put up around the area. Thanks to all of you who helped with that. A rota for helping on the day has been put on the website, and all CC members have been given a link to that so they can sign up. A paper copy will be available at the meeting. We need 3 people per slot, particularly for set up and take down. We have 1000 copies of our Aims on Objectives slips and 3000 Gifford Park Mural post cards. We will have 150 copies of the questionnaire, a final version of which is in the papers for this meeting. Please can we approve this version. Please see also the risk assessment for the day.
