

## South East Locality – local contacts (as at 9 December 2016)

A number of our Council services are managed directly by our Locality Managers at a local level. Each locality also has a Health & Social Care Partnership Locality Manager. Many other services are managed centrally, working closely with our local teams to ensure they are delivered in line with local needs and priorities.

Services that are managed and delivered locally through our locality teams include:

### Local Transport and Environment

- Parks development and park rangers service
- Environmental wardens
- Road and pathway repairs and maintenance, permits and other local road issues.
- Liaison with waste and cleansing on local priorities, community clean ups, local campaigns and initiatives.

### Local Housing Team

- Rents, estate and tenancy management, lettings and housing advice.

### Partnership & Information

- Libraries
- Local community planning

### Family and Household Support

- Community safety
- Neighbourhood support service
- Family solutions
- Sheltered housing

Key contacts in the above teams are:
